Fit as fuck

Driving to a building job, I stuck my head out of the window and told this girl jogging she had the best bum I'd ever seen. She gave me a big grin and said, "I work hard enough for it!"

The last thing I expected was a phone call, but she'd noted down my number from the side of my van. I asked her for a date, and she said, "Same time, same place?"

Next day, she hopped into my van, and it turned out she lived just around the corner. "I'd better have a shower," she said, making it clear she wanted me to join her.

I squirted shower gel all over her tits, foaming it up by rubbing myself against her, then I dropped down to my knees and buried my face in her pussy while I wanked myself off.

It was so sexy, screwing like this under the warm splashing water of the shower. Tina's slippery tits rolled around in my hands, and I'd get a little gasp every time I gave them a bit of a pinch. Her snatch was tensing hard around my length, and I felt my balls start to bunch up as my climax built.

It was me who started cumming first, but Tina reached down and strummed at her clit, bringing herself to a sudden and intense orgasm just after I started shooting.

HUBBY's On the Pierce again

Looking at my fella Martin, you'd never guess his sexy secret. He's a total suit during the day, and likes to look sharp even when he's off duty – strip off his clothes, though, and you'll see he's got a big Prince Albert piercing through his cock.

When he first came home with it, after a weekend in London with the lads, I couldn't believe what I was seeing – it just didn't go with his image. And I wasn't pleased when he told me shagging was off limits for the next six weeks while it healed up.

If I hit the roof then, I was climbing the walls a couple of weeks later, but Mart did what he could to make things up to me. I don't think he's ever spent as long with his face down between my thighs – thankfully he didn't get his tongue pierced at the same

time as his prick, so licking stayed on the menu – and he also bought me a massive 'real feel' dildo and a vibrator. It was so funny – he'd start watching as I got myself moist with the vibro, then slid the lubed dildo slowly up my hole. I'd be stirring the fake cock around inside me as I teased my clit with the vibrator, and he'd suddenly forget he wasn't even supposed to be wanking and have to leave the bedroom!

It was so worth it in the end though – I can't believe how much that ring adds to our sex life. Mart loves to wind me up, telling me I've got to lie still on the bed, all opened up for him – if I move it's the end of the game. He crouches over me, so when I close my eyes all I can feel is his body heat – and the ring rubbing over me as he moves up or down my body. When it's skimming over my slit, it's such a turn-on – I know what's coming next.

Obviously, when we're fucking it doesn't touch my clit, unless he's rubbed it against me before slipping in, but in the right position – doggy's often best – it'll catch my G-spot as he's thrusting in and out, which means I'm getting some of the hardest, deepest orgasms of my life. But that's almost nothing to what it does for him.

When I'm sucking him, I'll use my tongue to flick and rotate the ring, which really sends him off on one – sometimes his orgasm sneaks up on him so fast I get a massive load hitting the back of my throat almost before he even knows it's coming. And, when I take it in the face or over my tits, the ring means it sprays all over the place, splattering me all over.

The sexiest thing, though, is seeing his face when we're fucking – he's always going on about how much harder he cums since he's had the ring done, and it really shows in his face. We change position a few times during a fuck, and he likes to finish off with me on top of him. I'll sit up so my cunt is right over his prick, pulling it upright and deep inside me.

He loves playing with my tits in this position, and sometimes I'll lean forward so he can have a suck on my nipples.

But I like to be arched right up when he cums, so I can see his face. Just when he looks like he might black out with the pleasure of it, I'll up the ante even more by clenching tight around his shaft, squeezing and pulling on his cock with my cunt muscles. He moans out loud but he's never asked me to ease off or stop…

Now Martin's trying to persuade me to get some piercings of my own. He decided he didn't want his nipples done as he didn't want them showing through his shirts – but he reckons it would look horny as fuck if I had a pair under a tight or see-through top.

He also says I should get my clit done, so I can cum even harder than I do now. I'm tempted but so far I've chickened out – I keep telling him I couldn't handle another six weeks without screwing him!

Dear Julia
I am a convert to *Escort*. I started with vol 33 no 10. As soon as I started turning the pages I was hooked. I love it – real women, not just models. When I got to the centrefold Samantha, with her legs spread and her lovely shaven cunt on show, I shot my load all over her pics. I now get *Escort* every month and have had many good wanks. More Flash on Camera please, and how about some girls with huge piss flaps which I simply love!

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

Although I've been working in porn for over 20 years, I clearly remember my first shoot. I was only 19 and had trained as a nurse, but decided it wasn't for me. I wanted to make women feel better and look after them, but in a different way. I went to an agency in Brussels and said, "I want to be a porn star." The agent sat there, then told me there was a shoot lined up the following week and they needed a new guy.

My first hardcore scene was with a girl called Alicia and porn stud legend Sean Michaels. To say I was nervous would be an understatement, but I was lucky. Everyone on set was amazing, especially Sean and he said, "You know what, we're going to work together with this girl, but I can see you're nervous. You go in, do what you have to do and when you feel confident, give me a shout and I'll come in." In the end I did a great scene – I stayed rock hard throughout, even during the less erotic DP shots – and I owe them so much. It could have easily gone the other way if anyone had been an asshole and put me off my game. That first experience can really make or break it for some people. Luckily for me my career got off on the right foot.

Since then I've had the pleasure of shooting in Europe and America as an actor and watched the porn industry change. Back when I started there were only 34 guys in the whole of Europe working as studs. Well, it's a tough job and men could either keep it hard, or they couldn't. Many tried and failed and this was before the Viagra pill was available. For this reason, us guys could earn more and we got to fuck more beautiful women, as there was less competition. Don't get me wrong, it's not easy and I've been on shoots where I've had to maintain a stiffy for eight hours. Often the girls will help out with a quick suck if needed though and English girls especially are always great for this.

Nearly half of my career was spent shooting for Ben Dover. I learned so much from him, but my first shoot for him didn't go without a hitch.

I'm going to have her put down – my trousers

> **"It's not easy - I've had to maintain a stiffy for eight hours. The girls often help out with a suck"**

We met in France at an erotic fair. He asked if I was free to do a shoot and I said "Yeah, when?" He said, "Now." That was with a girl called Helen Duval. Ben said go to his hotel in an hour, Helen will be there and we'll shoot.

I turned up and the intro was followed by a blow job in the elevator. Bear in mind the hotel wasn't closed to other guests and I was thinking, "Er, right", but said it wasn't a problem, because I wanted to prove myself.

We started the BJ in the elevator and went from the ground floor up to the top floor – the longest way. Of course, in the middle of it, 'ping' went the bell. The doors opened to reveal an elderly couple standing there. I froze with my cock in my hand and Helen Duval's mouth on the end of it. Luckily they didn't try and come into the elevator, I apologised and we quickly retreated to the room. Some people take it well and others less so. This time they were just a bit shocked, but the doors couldn't close quickly enough!

I'm at the point now where I get to pick and choose who I work with, or girls come to me. It's a fantasy come true! My latest project that I'm really excited about, called Pascal's SubSluts, lets me explore my dominant side and take control of some of the sexiest English porn star girls in the business, like Samantha Bentley, who is pure filth. I think I'd be right in saying that she doesn't have any limits, like me, so we had fun when filming. Also, I shot with Lucia Love for SubSluts and I made her squirt. Lots. It was like a puddle – honestly, the sofa was soaking! Do I love my job? You bloody bet I do!

Laurel, Oxon

THE HANDY

While my mother was away on holiday there was an attempted break-in at her house. There was a damage to the porch, so I found a number for Ted, the bloke who did odd-jobs and building work for her, and asked could he come and board it up so it was secure.

Nice bloke that he was, he fixed it good as new, and only charged me cost price, saying she was a valued customer. I think the fact that I'd been flirting with him swung it, and the thank-you hug I gave him became a bit of a clincher.

He was older than anyone I'd been with before but one of those blokes who's just got more rugged with age! It was me who started snogging him, and as he ran his hands over my body, I got a feeling he was pretty experienced at this sort of thing.

> We snogged as we dry-fucked through our clothes

I was wearing a fairly short skirt and he soon had his hands up the back of it, touching up my arse cheeks – they were bare because I was wearing little tanga knickers. He spread them apart, then picked me up and carried me upstairs. It did sort of worry me that he knew where Mum's bedroom was, but he promised me it was just because he'd done the house up, not done her!

We snogged again, Ted getting on top of me and dry-fucking me through our clothes. I could feel myself get wet and sticky between the thighs, and he already had a bulging bonk-on.

My skirt was riding up and the denim crotch of his jeans was rubbing right up against me, forcing my gusset into my slit and up against my clit. Then he undressed me and pulled my legs apart.

I just gave over to him as he stripped off too, pulling his T-shirt over his head

Do it yourself? Laurel prefers to get a man in – into her arse, pussy and mouth. Dirty cow...

YMAN CAN!

and unzipping his jeans. He had a nice body on him, not perfect but sort of hornier because of that. But he had a gorgeous cock, which sprang out stiff as he pulled his pants down.

He made a move to take them off but I just grabbed him and dragged him back onto me, like I couldn't even wait for that.

I reached between us and took a hold of his shaft, wanking it and playing his helmet along my slit. I didn't let him in for a few strokes, then I positioned it and let him push inside me.

We both wanted it really bad, so that first shag was fast – I gripped his body tight with my thighs which opened up my cunt even deeper.

He had quite a hairy chest leading to a line of it going down his belly, so that was rubbing against me and his thick pubes were getting all soaked and creamy with my juices. He was doing me so deep and had me spread so wide, I felt his balls up against my arse with every thrust. Then, when he hit the point of cumming, he raised his shoulders up, burying his cock right in me. He gritted his teeth, stayed still, and then I felt his prick jump in my cunt and his spunk flow out.

I wanked him and played his helmet along my slit

I hadn't cum yet and I knew he wouldn't believe me if I lied about it, but he didn't take it personally. With his dick still hard in me, he slid a hand down and frigged my clit, setting me off so that I squeezed his meaty cock with my cunt.

He didn't have to be anywhere else for ages, so we just messed around on the bed. His fingers would make my clit tingle and just keep going, until I'd cum. But

Door to whore

Ever feel you've been set up? I'm a 21-year-old student and I got a holiday job doing door-to-door sales. The work was a pain in the arse - you get told to fuck off so often that you learn not to take it personally - but it was still nice when a woman, whom I'd say was in her mid-twenties, actually told me to come back later when her partner was home.

I was expecting a bloke, only to find out it was another woman. The first one, Karin, said, "Either you can spend an hour trying to sell us shite we don't want, or you can spend it screwing my brains out."

I must have looked shell-shocked, because she explained that she was bi, while her partner, Michelle, was a lesbian. They'd agreed that Karin could fuck men, as long as they were one-offs and she was honest with Michelle. And how much more honest can you get than screwing someone while the other person watches?

Karin explained that, while Michelle would be joining us in the bedroom, Karin would be the only one I'd get to screw. I didn't mind - Karin was more my type anyway, and just watching the pair of them get stuck into each other is more than a lot of blokes ever get to do with a couple of women!

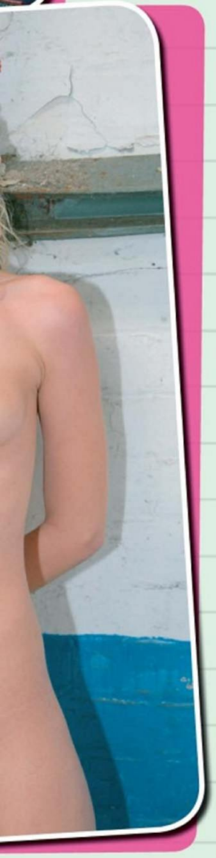
I was a little bit nervous, thinking Michelle must just put up with Karin fucking blokes and not be too pleased I was there, but she actually seemed to get off on the idea of watching Karin take my cock.

They decided to start things off together, which was a relief for me as I was a bit nervous. Karin did a slow strip for me, then got her girlfriend naked, kissing and licking whichever part of her she'd just undressed. As they start snogging, boobs squashed flat in between each other's bodies, Karin slipped her fingers into Michelle's cunt. Michelle bucked against her hand, trembling as she finally orgasmed, and Karin looked me in the eye as she licked her own fingers clean.

I knew my turn was next

£90

HER TITS SLAPPED AGAINST HER RIBS AS I SLAMMED HER



and I was hard and ready for it.

Wanking myself, I laid down on the bed, next to Michelle, who was all zonked out from her orgasm. Karin straddled my crotch, using her hand to rub my tip over her slit, then finally putting me inside her.

She rode me, not too fast, clenching her pussy muscles as she sank down, squeezing my cock as she took it deep.

But I was still having trouble keeping control of myself. I got her to stay still by meshing my fingers in her hair, and gently pulling her down for a snog. Then I sucked her nipples one at a time.

She kept on pressing and squeezing my prick with her inner walls, until I decided there was no shame in cumming anyway! I grabbed her by the hips and slammed up into her, her tits slapping against her ribs as she bounced up and down, then I was spunking hard and deep inside her.

I'd been so carried away, I'd hardly noticed Michelle wanking her already juiced-up twat right next to me, until she took out a vibrator and started rubbing it over her clit.

Once I'd cum, she switched it off and let me have a suck on it, to get a taste of her juices too.

Immediately Karin had hauled herself off my length, she swivelled round so she was sixty-nining her girlfriend.

I watched as spunky wetness dripped out of her cunt and into Michelle's mouth, Michelle smacking her lips as she swallowed it down, then pulling Karin down hard so she could suck it out directly.

It's a real shame part of their pact was that Karin couldn't fuck the same man twice, but there was plenty to take my mind off what I was missing when I went back to Uni after the holidays!

Mark, Manchester.

She's wild and crazy in the bedroom, and that really came across in this shoot at 28-year-old Brummie Tina's house. "This kitchen has seen plenty of action. My other half likes to pop it up me when I'm doing the washing up! He loves playing with my boobs while he fucks me from behind! My favourite body part? Funnily enough, I would say my eyes. It's so horny to stare into someone's eyes while you're sucking or fucking them!"

RED HOT & RANDY!

CARLA

Carla Mai looks simply splendid in her PVC get-up. "I feel great in it too! I don't want to take it off. Would you mind if I took it home? My boyfriend will cream in his pants if I shrug off my coat to reveal this underneath! He'll be so excited he'll probably fuck me in the hallway, standing up against the wall, his hands running all over me. I'll ease out his big hard prick that's already damp at the end and direct it up my shaven hole that's streaming too with hot sweet cunt cream. Then he'll bang me vigorously up against the wall till he shoots up me. Then we'll go upstairs where the real fun starts!"

SEX WITH ALL THE STRINGS

Daisy Blade's NYE celebrations go off with more than one bang

Let me begin this column by saying Happy New Year! I hope you got up to much festive frolicking. Mr B and I certainly did on NYE and the sexy firework display we put on shit all over anything else that was happening at the stroke of 12.

Thinking I was having a quiet night in (I'm not a big NYE fan), I'd settled onto the sofa with chocolate and a bottle of fizz. The flatmates were out, so the house was empty apart from me and my beloved and he was pottering around.

After an hour or so, Mr B appeared in the living room and blocked my view of the TV. "My New Year's Eve resolution is to make you cum 12 times before the stroke of midnight," Mr B informed me. I felt giddy and excited and wondered if what he'd been up to for the last hour related to his plan?

Already 8pm, we didn't waste any more time. Rolling up my skirt and pulling my knickers to one side, Mr B plunged straight in. He kissed me while my tight pussy adjusted around his length, then fucked me hard and fast on the sofa, thumbing my clit while he did. Orgasm number one left us both panting.

Taking my hand he led me into the kitchen. Ah, so he had been up to something. I saw a bowl of melted chocolate and he'd brought the fizz. Helping me out of the rest of my clothes, he told me to lie back on the kitchen table. Taking a spoon, he dribbled the chocolate onto each of my nipples then used the back of the spoon to cover them. Leaning over, he slowly licked each tit clean. When he was done there, he spooned more between my cleavage, down to my belly and inside each thigh. Each time he licked me he was getting closer to where I really wanted his mouth to be: on my clit.

Then he took a mouthful of sparkling wine and covered my clit with his cool lips and bubbles. The sensation sent me over the edge for number two.

Three and four came while he was washing my pussy in the shower. His fingers slid inside me and found my G-spot and I gushed all over his hand.

By this time Mr B was hard again. Stopping in the hallway, I dropped to my knees and took him into my mouth. Feeling him stiffen as my tongue played with the head of his cock, made me wet again and when he told me to make myself cum with his cock in my mouth I felt five and six.

Only halfway there and I was a quivering mess. Mr B was still rock hard and swiftly took me doggy-style in front of the mirror. Watching him grab my hips, plunging in and out of my dripping wet slit, prompted number seven.

Practically having to carry me to the bed, Mr B lay me down and spread my legs. Reaching into the toy drawer he picked out my favourite glass dildo and bullet vibrator.. Slipping the firm dildo into my pussy, he started to work it in and out while the vibe buzzed against my clit. That was eight.

She promised she would drink them under the table

Orgasm number nine built up slowly as the sex toys worked me, but hit hard with a few deeper plunges of the dildo.

It was gone 11pm and there were still three to go. For 10 and 11 I was impaled on Mr B's hard cock while he sucked each of my tits in turn to make me cum. Grinding against him while he nibbles my massive rack always sends me over the edge.

There was only one to go and, glancing at the clock, midnight was approaching. I was flipped on to my back and Mr B took me missionary. I'll spare you the soppy details about all the eye-gazing, but as he fucked me deep and I felt him finally cum, I was sent over the edge the final time. It was a Happy fucking New Year. Literally.

Tree-some

I've got to be well into a woman to take her home to meet my parents, but Lisa more than qualified.

Their place is pretty big, and as she wandered around the garden she noticed the tree house my dad had built for me.

There was just about enough space for the two of us, and she fell in love with it. We also realised this was the first time we'd really had to ourselves since arriving. She started snogging me, and I kissed her back passionately.

Instantly, she had my cock out and she started wanking it to full hardness, bowing her head and rasping her tongue against the underside of my helmet. Meanwhile I got her jeans unzipped and had my hand wedged down her knickers, curled between her thighs to probe her twat. She was all hot, moist and lovely.

We spread our jackets on the floor and she got on all fours, sticking her gorgeous, peachy arse in the air.

I also found it horny that her jeans and knickers were still on, just down around her thighs. It meant she couldn't part her legs more than slightly, but I knew that would just make for a tighter fuck. I love how she looks with her swollen pussy lips sort of peeking out from between the cheeks of her arse.

Then we just enjoyed a slow, deep screw. We were both looking out of the little window, and I noticed a mate of mine, who'd said he'd be around to see us at some point, in the garden wondering where the hell I was.

Knowing we could see him as we fucked but he couldn't see us, and knowing there was just the slightest chance he could come climbing up the tree – as he'd often done as a kid – also added an extra little thrill.

Lisa thought this was all hilarious but obviously she couldn't laugh out loud. The thing was, every time she tried to stop herself bursting out with the giggles, she clamped her twat tightly around my prick, which just made for an even better fuck.

She's screwed me often enough to know when I'm getting to the brink of cumming, and this time she slid forward off my prick, shuffling around to face me.

My prick was jutting up, quivering and glistening with her wetness, and she started sucking on it, her hand curled around the shaft to wank it against her tongue again. I had to bite on my own finger to muffle my groans, especially when I reached the point of no return. She opened her mouth wide and gave my prick one final wank, and I watched as my white sticky mess shot out to coat her tongue. She winked at me then swallowed the whole lot.

Even if we'd disposed of that evidence all right, my parents must have known we'd been up to something, from all the looks and muffled laughs between me and Lisa when we had dinner with them later that evening.

Colin, Rotherham.

Why do girls take so long to get ready to go out? Primping, preening and picking outfits, mostly. But not Layla, (25, from London) who can't keep her hands off her glorious glands. "I got so fed up changing my outfit, I started playing with myself, hefting my heavy boobs, stroking my thighs and finally plunging my fingers into my hot wet pussy!" We'd take all night long over that!

REAL WIFE SEX

Laurel's story continued from page 19

I'd rarely get a minute before they were creeping between my thighs again.

It also seemed like the first time he'd brought me off had been enough for him to know exactly what I liked.

Of course, I gave his prick plenty of attention too – caressing it gently then wanking it more firmly as I licked the inside of his ear. Then he asked me would I use my mouth a bit lower down, so I lapped and nuzzled my way over his chest and belly.

This prick, that had felt so big and stiff in my cunt, seemed even more huge in my mouth – filling it so my lips were at full stretch. It tasted of me as well as him, and though I couldn't manage to suck it right down to the hilt, he seemed to like having the attention on his helmet anyway. At first, I just planned to suck him to hardness again for another fuck, but I got so carried away I just kept on.

Ted got me to move around so that my fanny was over his mouth, my juices soaking his lips as he tongued my clit with gentle flicks. Then he started licking me deep, grabbing and

fingering my arsehole. The harder he ate me, the more I sucked him and so it went on.

OK, I had to cool things off a couple of times – I wanted to be the first one to cum this time. I got my wish – my cunt was soon pincering around his tongue, then rippling. So I now I gave him all I had, felt the tell-tale jump and then gulped his salty load down my throat.

I let him cum the last of it over my tongue, then licked it over my lips. Then I just lay there, wetting my nipples with cunt cream and tweaking them. He asked me did my mum have any idea I was such a dirty girl. I said I hoped not, especially as I wasn't done yet.

Neither was he. After a bit of lazing about then another roll-around on the bed, he positioned me on all fours. I was wet and puffed-up from all the fun we'd already had, and his cock seemed huger than ever and red-hot inside my snatch. Then he asked me if he could do me up the arse.

I felt the tell-tale jump and gulped his salty load down my throat

It's not something I do with every bloke but I knew I could trust this one to know what he was doing.

I worried about the size of him, but he spent ages wetting me with spit and juices. Then he eased in, just a little bit at a time, opening me up so gently and gradually, I was shocked to realise he was in to his balls.

It wasn't like when he'd fucked me hard in the cunt – he just enjoyed the feel of my arse around his cock, moving gently and playing with my clit to bring me even more pleasure. His fingers on my clit got me cumming almost instantly, then as my muscles slackened right afterwards, he was able to fuck gently in and out until he spunked.

When Mum got home I told her about the repair job, and she said Ted was a good bloke. I didn't mention how good he'd been at filling all three of my holes! Ⓔ

Sin Cycle

When my boyfriend Tony wanted to go off on a cricket tour with the lads, he bribed me by buying me a new washing machine.

One day, a mate was sat with me in the kitchen when it kicked into the spin cycle. We burst out laughing for the same reason, though she was the one who actually said I should sit on it and enjoy the vibrations. "As if…" I said.

One night, alone, I was sitting around, nude under my bathrobe. As often happens my fingers were wandering, and I decided to get my toys. I'd put some washing on, and as I grabbed them from the bedroom, I heard the machine start.

JODIE, SURREY

I wondered, "What if…" then burst out giggling. I slipped the butt plug up my arse, which made my fanny feel so tight when I pushed the lubed-up dildo inside it.

Then I heard the machine start to spin. I hopped on it – just for the sake of trying it once. I used my hands to spread my arse cheeks wide, so the bottom of my butt plug touched directly against the machine, and it felt so fucking incredible – the vibrations shooting up my arsehole, tickling like crazy.

I switched on my vibrator; it's always fantastic when I'm stuffed with a dildo, the vibrator pummelling my clit while the dildo rubs away inside me. Immediately my entire crotch started tingling, sensations shooting through me until I came to a screaming orgasm.

I FELT HIS WARM SPUNK JETTING IN MY HOLE

When Tony got back, he

Mail glaze

Recently, I started receiving dirty emails from a total stranger, more and more explicit each time.

I reckoned it must be some sort of scam, so I enjoyed them but didn't reply. Then one night I came in from the pub to find a new email. This had her from behind, the dildo in her cunt and a finger up her arsehole.

I got myself as rigid as I could, then I grabbed my camera phone and snapped a picture of my cock. I uploaded it, sent a reply, then took a couple more of myself wanking, and spunking in my hand. I even got one of my jizz-smeared cock next to the dildo picture on screen. I saved them to send if things progressed.

The email thing went on for another week, swapping dildo and wank pictures. Then I got a note asking to meet up in a certain pub.

I got really paranoid – what if this was a set-up? The place was quiet when I arrived, so I got a pint in. Then a girl came in and joined me at my table. I recognised but couldn't place her – then realised she was Hannah, the PA to one of the managers at my firm.

She said she'd fancied me for ages, and reckoned I might appreciate the forward approach! I got her a drink but it felt weird, the two of us sitting there making small talk when we'd already seen each other cum!

She lived just around the corner, so we went back there and took it straight into the bedroom.

She lay back on the bed, legs spread and with her twat freshly shaved. But I told her to get on all fours. Those were the pictures that had got me tossing in a frenzy.

Hannah was absolutely mad for a hard fucking - I reckon you'd have to have a pneumatic drill with a vibrator on the end to truly satisfy her!

I couldn't deliver what she wanted without cumming too fast, so I decided to go for the dirtier option. I reached out and grabbed hold of some lube, squirted it on her arsehole. She looked back at me and smiled, thinking that I was going to fuck her arse. Instead, my cock still deep

wanted to fuck me while I was sitting on the machine.

I got him to put the butt plug in me – he loves playing with my arse – and we timed things so we'd get into the rhythm of fucking a couple of minutes before the spin. I perched on the machine facing Tony, with my legs around his waist, holding him inside me. And I had to clamp them seriously tight when things got moving, just to make sure he wouldn't slip out as we juddered against each other. I was clamped around him and his hands were grasping my arse tight, pulling my cheeks even further apart as he buried his prick in my snatch.

I started cumming first, my twat tightening like a vice around his shaft, then spasming around me as the vibrations shot through me. They hadn't quite died down when Tony started shooting his load, and as the machine whirred to a stop all I could feel was his warm spunk jetting out to fill my hole.

He'd cum so hard he didn't trust himself to carry me to the bedroom, but once we'd made our way in there, we soon found the energy to turn each other on again…
Jodie, Surrey.

THE HOT WAVE OF SPUNK SET HER OFF

in her juicy cunt, I started fucking in and out of her tight arsehole with one of her toys.

She buried her face in the pillow to muffle her cries of pleasure. And as I felt my climax start to build, I buried all but the last inch of the toy in her arse, and pounded her cunt, fucknig her as frantically as I could, really letting go.

I came before she did, but only just – the hot wave of spunk set her off again, and her body quivered with pleasure as I spurted even more inside her.

We've been shagging ever since.
Harry, Bristol.

100 all out

When someone calls me a slut I take it as a compliment – at least I'm honest about how much I love sex.

COURTNEY,
DEVON
£60

A couple of months back I celebrated shagging my hundredth bloke. I was determined it should be extra-sexy and memorable, so I went up to London for the weekend.

By 2am I was in bed with a bloke called Ryan. He was fucking me slow and deep – I could see from his face that he was trying to hold back.

No matter how much I begged him, he wouldn't fuck me any faster. I decided that if he wanted to take it slow and easy, I'd kick things up a notch. I raised myself right up off his cock, which was coated from tip to hilt with my juices, grabbed it in my hand and started playing it around the entrance to my arsehole.

I COATED HIM FROM TIP TO HILT WITH MY JUICES

That didn't get me much more than a wicked grin, so I swivelled round to face his feet. Now he could see what I was doing to him, the sight of his fat red cockhead bumping up against my tight pink ring. When I sank down on it, I got the moan I'd been waiting to hear, and it didn't matter how fast or slow he gave it to me this time: all I needed was my own fingers on my clit and my bum crammed full of his hard, thick length to have me cumming my brains out within a minute.

As soon as I'd orgasmed, Ryan started thrusting harder and faster into me – not quite as hard as a bloke would shag me up the pussy, but it got him there anyway. He asked me could he cum inside my arse, and I answered him by clamping tight around his shaft and wiggling back against his crotch. One second later I felt a hot, wet burst, which seemed to go deeper inside me than I'd felt before.

After that first fuck, Ryan seemed to relax – enough that I could take the time to congratulate him on being my hundredth man.

And that eemed to give him the green light to be as dirty as he liked with me!
Courtney, Devon.
